

# a few notes

## Topic: Leading in a VUCA World

## Daily Envision Employee Check-in Hosted by Dr. Stefanie Simmons

In today's employee check-in, we take our first look into the article An Emotional Intelligence Leadership Stimulus Boost for a VUCA World by Relly Nadler, Psy.D.,MCC. Our world looks very different today. The stock market is crashing, store shelves are empty, schools are closed, and many families have lost their jobs. We have a VUCA environment. (Volatility, Uncertainty, Complexity and Ambiguity). This is when we must lead.

- Volatility needs to turn to Vision
- Uncertainty needs to turn to Understanding
- Complexity needs to turn to Clarity
- Ambiguity needs to turn to Agility
