Topic: Virtual Recipe Exchange

Daily Envision Employee Check-in

Hosted by Dr. Stefanie Simmons

As the end of the year quickly approaches, many of us will be celebrating different holidays. What a wonderful time of the year to exchange recipes. While the traditional cookie recipe exchange is a great idea, let's try a new spin on the recipe exchange. Since most of us will be celebrating the holidays virtually why not try some new recipes (side dishes, main dishes, vegan dishes, vegetarian dishes, desserts, beverages, etc) that will help us give new life to our holiday celebration. Would you like to share a family recipe or a great recipe that you have found on pinterest that really was good? Is there a story behind the recipe? Share it with us so we can create a virtual recipe book for all to enjoy. Send your recipes to training@amsurg.com with the subject line: virtual recipe exchange by Friday, November 6, 2020.
